OVERVIEW

Genesis International School is an esteemed educational institution where girls receive not only education but also values and a golden future. The school is dedicated to shaping students to face the challenges of tomorrow, preparing them with the skills and knowledge they need for success. Students are given the opportunity to prepare for competitive exams such as NDA, NEET, JEE, and others, based on their interests and abilities, alongside their regular curriculum. The school provides a stress-free learning environment where education is imparted through fun and engaging activities. Students also get a chance to assess their skills through Olympiads, giving them an excellent opportunity for self-assessment and improvement. At Genesis International School, students graduate as well-rounded individuals, ready to face the world with confidence. The school offers air-conditioned hostels (Only for girls from Class 6 onwards), ensuring comfort and a homely atmosphere for all students. Spread across a vast 13-acre campus, the school is equipped with high-tech security systems, including CCTV cameras throughout the premises, ensuring the safety of every student. The day begins with mantras and shlokas, and

regular havans and yajnas are performed to instill a sense of spirituality and discipline. The school offers a range of sports facilities for the overall development of students, including football, handball, volleyball, cricket, and table tennis. Additionally, the campus is home to state-of-the-art laboratories for computer science, language, physics, chemistry, biology, mathematics, and social sciences. The school also boasts a well-equipped library for students to explore and broaden their knowledge. For the health and well-being of students, there is a wellness room in the premises to provide medical assistance as needed. Genesis International School offers an exceptional education that combines academic excellence with moral values, preparing students with an international standard of education. We are pleased to announce that the admissions are open for the upcoming Academic Session 2026-27. This will provide an opportunity for new students to join the school for the next academic year. Seats are limited, so we encourage you to register for the entrance test by visiting the school premises. We look forward to welcoming your child to Genesis International School, where education meets excellence, tradition, and modernity.

OUR MISSION

Inspiring our girls to be fearless leaders and global citizens of integrity by promoting a culture of enduring educational excellence, international mindedness, wellbeing in a caring, happy, secure and spiritual environment enriched with the values of discipline, mutual care, respect and tolerance.

OUR VISION

To provide a platform to each girl to explore her latent talent in the desired field.

Dear Parents and stake Holders, Jai Hind !

It gives me immense pleasure to connect with you through the pages of GIS KARNAL Information Brochure. After serving the Indian Army for 33 years and Gurukul Kurukshetra as its Director for 6.5 years, I have got this rare honour to serve the children of GIS Karnal. Why I call this rare honour is because after serving children of Sainik School Kunjpura for almost 4 years, destiny has brought me back to Karnal to help students to realise their dreams and goals.

At Genesis International School, we have straight away moved into mission mode to make our students 'Future Fit, Future Ready' so as to make them career oriented learners having traditional wisdom with modern scientific outlook. We have created a symbiotic relationship between theoretical classroom teaching and practical world outside the classroom so that our students acquit equally well in both spheres.

We have placed the best faculty to prepare our students not only for various Olympiads, competitive exams like NDA, JEE, NEET etc. but a full fledged SSB obstacle course has also been created to give necessary training to the NDA Exam aspirants looking forward to becoming officers in the Indian Defence Forces. GIS Karnal has created a state-of-art infrastructure for its students having AC class rooms, students mess and AC Hostels.

At Genesis International School, we are fully committed to give a holistic and nurturing learning experience to our learners so that they become academically sound, physically fit, morally upright and mentally robust well adjusted Global Leaders having excellent academic and interpersonal skills and thus becoming fit in all fields to have an excellent career options for themselves.

Wishing You Godspeed in all your noble endeavors.

Jai Hind! Jai Bharat!

Jitendra Singh Ahlawat

Founder (Genesis Group of Schools)

Managing Director (Genesis Group of Institutions)

Dear Parents

It is with great pride and purpose that we welcome you to GIS Boarding, a sanctuary for young minds where tradition meets excellence. Our mission is simple yet profound: to preserve and instill the values of our cultural heritage while providing your daughters with a world-class education that prepares them for the future.

At GIS Boarding, we understand that education is a sacred duty. As parents, you have entrusted us with your most precious gift—your child. We wholeheartedly embrace this responsibility. Our boarding school is not just a place of learning but a home away from home, where your child will grow, thrive, and flourish in an environment rooted in discipline, respect, and timeless wisdom.

We do not want to burden parents with the anxieties and pressures of modern education. Instead, we take full

responsibility for your child's academic growth, character development, and overall well-being. Our dedicated faculty, holistic curriculum, and nurturing environment ensure that your child will receive the attention and care they deserve, allowing them to excel without placing undue strain on your family.

This school is more than just an institution; it is a community where girls are moulded into confident, responsible, and compassionate individuals. With a deep respect for our traditions, we instill in them the values of humility, resilience, and a lifelong love for learning.

We invite you to join us in this sacred endeavor—together, we will cultivate a generation of young believers who will carry forward the torch of knowledge, honor, and integrity.

उत्तिष्ठत जाग्रत प्राप्य वरान्निबोधत

(कथा उपनिषद्)

Arise, awake, and learn from the wise.

Rise and awaken — only then can you reach the infinite.

Dear Parents

As Principal of GIS, it gives me immense pleasure and a deep sense of gratitude to interact with you through this platform. As we stand on the threshold of a new academic session, on behalf of Genesis International School, I extend a hearty and warm welcome to all students, staff and parents.

Nelson Mandela rightly said, “Education is the most powerful weapon you can use to change the world.”

If there is one thing that can change the world, it is education and GIS is the pillar of formal education. We understand that education is not just about teaching students to conform to the world as it is, but empowering them to shape the world as it could be.

Our approach to education is rooted in a deep understanding of the unique needs and aspirations of each student. We recognize that every girl is different, with her own strengths, interests, and ambitions. Along with providing academics, we aspire to instil values, life skills and habits that make our students stand out and make a difference in society.

At Genesis International School, we strive to make future leaders identify their strengths and work on their shortcomings with a determined and positive spirit. For the 360 degree growth of each child, we take action to mould them into intellectually brilliant, emotionally mature, ethically sound and physically fit individuals.

Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations. We wish to thank all the parents for their faith in GIS.

Let's partner together, so that we can see children being successful in whatever path they choose to tread.

Ankita Thareja
(Principal - GIS)

Dear Parents, Students and Well-Wishers

It gives me great pleasure to welcome you to Genesis International School, a haven of learning and empowerment where we believe that when you educate a girl, you empower a generation.

As a residential cum day boarding school, we provide a balanced environment that blends academic excellence with values, discipline and personal growth. Our aim is to nurture confident, compassionate and capable young women — ready to face the future with courage and integrity.

Education at GIS goes beyond textbooks. Through academics, activities and community life, our girls learn to think independently, act responsibly and lead with purpose. With a caring faculty and a safe, homely atmosphere, we strive to make every student feel valued and inspired.

At Genesis, every girl is encouraged to discover her unique potential and turn her dreams into reality. We focus on holistic development — intellectual, emotional, physical and spiritual — ensuring that our students grow into strong individuals with a global outlook. Together, we aspire to create leaders who not only excel in their careers but also contribute meaningfully to society with empathy and grace.

A BRIGHT FUTURE AHEAD

Academic Excellence: Our commitment to academic excellence remains unwavering. We will continue to provide a nurturing environment where students can explore their potential and excel in their chosen fields of study. Our dedicated teachers are here to guide and support each student on their academic journey.

JEE (Main)/NEET/NDA/Olympiads:

Career Guidance and preparation of the students is the forte of GIS Indri. The School has an expert and experienced faculty with proven track record to guide students systematically without any undue pressure for JEE (Main), JEE (Advance), NEET, NDA and various Olympiads. The Complete Curriculum is aligned in such a way that students, not only prepare well and excel in Board exams but also get adequate time and academic support to acquit themselves well in the JEE (Main), JEE (Advance), NEET and NDA exams.

Innovative Learning: In today's fast-paced world, it's crucial to stay ahead of the curve. We are investing in innovative teaching methodologies and digital resources to ensure our students are well-prepared for the challenges of the future. Our Smart Classrooms and state-of-the-art labs are testament to this commitment.

Holistic Development: Education is not limited to textbooks. We encourage our students to participate in extracurricular activities, sports, and community service to foster a well-rounded development. These experiences are essential for building character and confidence.

Parent-Teacher Partnership: We believe in the importance of a strong partnership between parents and teachers. Regular parent-teacher meetings, seminars and open communication channels will continue to be a priority.

Caring for Well-being: The well-being of our students is paramount. We have a dedicated counsellor to provide emotional support and guidance to students when needed. Additionally, we are working on initiatives to promote physical and mental health within the school community.

Community Engagement: We are committed to giving back to society-Service before Self. Our school will continue its efforts in community service, promoting environmental sustainability, and social awareness campaigns. We believe in creating responsible global citizens.

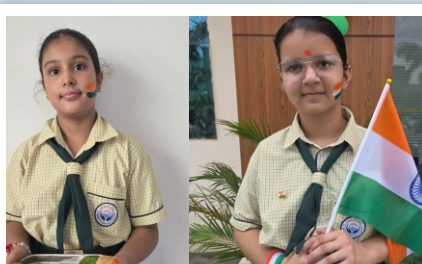

Celebrating Diversity: Our school is a melting pot of cultures and backgrounds, and we celebrate this diversity. We encourage students from different backgrounds and cultures to embrace differences, fostering an inclusive and harmonious atmosphere.

Digital Transformation: Keeping pace with the digital age, we are further enhancing our online presence. Our website and communication platforms will keep you updated on school events, achievements, and important information.

AC Hostel Facility (Only for Girls): GIS Hostel aims to provide a nurturing and supportive environment for students to thrive academically, socially, and personally. The hostel is well-maintained and secure, with 24x7 surveillance and trained staff to ensure the safety and well-being of the students.

School Activities

All About NDA

What we AIM for

Our aim is to become the premier institution to National Defence Academy/Technical Entry Scheme by making our students academically sound, physically fit and mentally robust capable of clearing NDA written examinations in large numbers and also get recommended for selection by the Services Selection Boards (SSBs) of India.

Our Mission

Our Mission is to provide best guidance and training to the young girls to help them realise their dream of becoming officer in the Indian Defence Forces through National Defence Academy /Technical Entry Scheme.

All About NEET

National Eligibility cum Entrance Test or NEET, previously known as AIPMT, is a pre-medical entrance test in which class 12th passed students appear for admission in undergraduate medical.

This examination is conducted by NTA annually in Pen and Paper mode in 13 languages.

Eligibility

Student must have passed class 12th with minimum 50% marks from a recognized board.

Age Eligibility

The appearing student must attain 17 years of age.

All About JEE

JEE Main

JEE Main examinations are conducted every year by the National Testing Agency (NTA). This exam is conducted with the motive of selecting the creamy layer of the students for admission into India's best and most reputed engineering colleges.

JEE or The Joint Entrance Examination has 2 levels- JEE Main and JEE Advanced; once a student clears JEE Main successfully then he/she becomes eligible for JEE Advanced, which is the second stage

JEE Main

JEE Main has 2 papers- Paper 1 is for B.Tech (Bachelor of Technology) & BE (Bachelor of Engineering), that are conducted through computer based test. While Paper 2 is for B.Arch (Bachelor of Architecture) & B. Planning (Bachelor of Planning) which is conducted through offline mode only.

Eligibility

Students who have scored 75% or above in the class 12th board examination or is in the top 20 percentile in the class 12th board examination conducted by respective boards.

Number of attempts

Students can appear for JEE Main 2 times a year. While they can attempt the exam for 3 consecutive years from the year of passing class 12th.

Boarding System

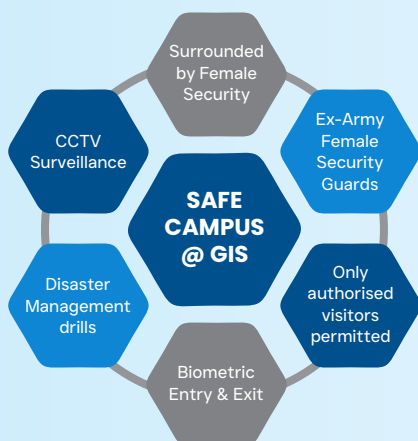

At Genesis International School, we take immense pride in offering safe, secure, nurturing and vibrant environment for our boarding students. The hostel is designed to ensure students feel at home while studying. The rooms are air-conditioned and spacious. It has been organised meticulously to fulfil the challenging requirements of girls of all age groups. Each girl child is provided with separate bed, study table, almirah etc. Recreational rooms are available where students can relax and enjoy leisured classes.

- **Personal Care:** Here at GIS, we provide a 'home away from home' where we maintain traditional values in a family atmosphere and ensure physical and emotional welfare of each girl child. Every staff member of the school is approachable. The hostel is supervised by the trained and dedicated wardens who take care of every need of students and supervise their daily routine. We also arrange periodic talks with the students for their queries and requirements. Students are also given personal counselling.
- **Recreation Rooms:** The hostel also has well-furnished recreation rooms where students can relax, play games, watch TV, read newspapers and journals during their leisure hours.
- **Infirmary:** Here we have our own infirmary under the charge of a qualified nurse who is available round the clock. At the beginning of each term every child has to undergo a routine medical examination. The school is only few kilometres away from the city hospital where any emergencies can be referred.
- **Food and Nutrition:** The mess is extremely hygienic and serves purely vegetarian diet to our students. We feel proud in serving 100% organic food to our students. Mess menu is designed in consultant with nutritionist. The students are also often consulted to bring about any changes in the menu. There are well trained mess managers to watch on smooth functioning of mess.

SAFETY AND SECURITY

Our school is committed to provide a safe and security learning environment. The school induces student and staff safety policy to ensure their minimal safety needs.

- The campus is under 24x7 CCTV surveillance and continuous patrolling is done.
- The campus is surrounded by high fencing. Proper and strict security is present at the main gate access to the girls only allowed through proper verification and permission of the Principal, warden and parent or guardian.
- No one is able to trespass as there are multiple checks through the multi-tier gate system.
- Periodical regulation and monitor of safety drills are conducted.
- Round the clock competent security, trained and experienced mentor and wardens are some of the major contributors towards safe and secure environment in campus.

Boarding Rules

General Rules

- **Ragging and bullying** are strictly prohibited.
 - **Food items** are not allowed in the boarding house.
 - **Parents** are not permitted inside the campus after 5:00 p.m.
 - **Students** are allowed to make calls only on weekends.
 - **Giving money** directly to a student is strictly prohibited.
 - **Parents** must take prior permission from the management to meet their child.
 - **Expensive items** are not allowed inside the campus. If found, they will be confiscated and returned on the last day of the term.
- **Parents** are requested to meet their child on the first Sunday of every month.
 - An **Imprest** amount will be collected. All expenses incurred by your child will be deducted from this amount.
 - A child's **medical history** must be produced at the time of admission.
 - If a student is found **damaging any school property**, sanctions will be imposed by the school's disciplinary committee. The disciplinary action will be based on the level of the offense.

Rules for Rooms

- Each student will be provided with one bed, one mattress, one bed cover, one pillow, and one cupboard.
 - Students are responsible for keeping their belongings safe.
 - Students must keep their beds and cupboards neat and clean.
 - During routine inspections, if any prohibited items (e.g., money, valuables) are found in a student's cupboard, they will be confiscated, and disciplinary action will be taken.
- Students should regularly try to converse in English.
 - Students must obey their boarding house parent and take their permission before leaving the boarding house premises.
 - Students are not to enter other rooms without the permission of the boarding house parent.
 - Students are strictly prohibited from engaging in any physical altercations or touching another student under any circumstances.

- (viii) SSB Guidance (Class XI & XII only), Books, Bags, IELTS, PTE, Sports Gear, Uniforms, Medial, Milk, Fruits etc. as per actuals.

Total : ₹ 31,300

Rules of School

1. All students and parents should be made aware of the rules and regulations that are periodically formed by the school in order to maintain discipline.
2. In order to be eligible for the school and board examinations, all students must have a minimum attendance of 75% in each subject.
3. For the overall development of the children, cooperation between parents and teachers is essential. Parents should regularly check the children's diary and encourage and guide them to remain confident.
4. If any student is found guilty of indiscipline, misconduct, theft, damaging school property, leaving without permission, not appearing for exams, etc., strict action will be taken against the student, which may include a fine and expulsion.
5. Students are not allowed to keep any cash at school. Each student has a separate account for school canteen expenses, into which parents should deposit money as required. Students use a canteen slip for purchasing items, which must be signed by the parent or housemaster/assistant housemaster/hostel supervisor. The money is then deducted from the student's canteen account. Parents can inquire about the balance and transactions at any time with the account office.
6. Students must write down the homework for each subject in the school diary daily, and it is mandatory for the parent or assistant housemaster to sign it. Parents should ensure that their child completes the homework regularly.
7. In case the school diary or identity card is lost, a fee of ₹300 will be charged for issuing a new one.
8. Students are not allowed to bring or keep any cash, mobile phones, electronic devices, jewellery, or any other valuable items in the school. Any violation of this rule will result in the confiscation of the prohibited items, and strict action will be taken against the student, including a fine and expulsion.
9. During exams, no student will be allowed to leave early. If a student is absent from the exam, it will not be rescheduled.
10. Before the summer vacation and on the designated counseling day, parents should meet with the class teacher to discuss unit test results, report cards, and the student's continuous progress.
11. No student should be absent from school without written permission from the Principal. If a student is absent without permission, it will affect their studies, and the parent will have to pay a fine of ₹100 per day for negligence.
12. Parents will only be allowed to enter the school and meet their child with the identification card. Please ensure that the identity card is obtained immediately after admission.

INSTRUCTIONS FOR PARENTS:

- Parents can meet their child only on the first Sunday of every month. Frequent visits can hinder your child's adjustment to the school environment.
- Deposit all quarterly fees and other expenses by the due date to avoid late fees. No reminders will be sent in this regard.
- Your child should not be absent for even a single day following the summer and winter breaks. Absence will significantly impact their studies and incur a fine of ₹200 per day for returning late.
- All students and parents should keep the manual of instructions to help maintain discipline at GIS Indri.
- Parents are permitted to communicate with their children only on Sundays, between 9:00 a.m. and 6:00 p.m., except in case of an emergency.
- Due to students' daily schedules, it is not possible for parents to communicate with their children on any day except Saturdays and Sundays. However, you can convey a message through the Chief Warden or Warden.
- A student will not be permitted to attend any marriage or other ceremonies during exams days.
- There will be no re-examination for students who do not appear for the quarterly exams.
- If a student's name is struck off the school rolls, parents must collect their child's luggage within five days. GIS Indri will not be responsible for any belongings after this period.
- Students seeking admission to GIS Indri must be physically fit and free from contagious or communicable diseases.
- If a student fails to submit their Transfer Certificate by April 30th, their admission will be cancelled.
- For any issue related to a student, please contact their Warden or the Chief Warden.
- Parents or guardians must accompany their child at the time of admission, for summer and winter vacations, and when dropping them off after availing any emergency leave.

All Disputes Subject to Karnal Jurisdiction
